

# CONFIDENTIAL DISCLOSURE TERMS AND CONDITIONS

By signing below, Customer agrees to the Terms and Conditions under which Precision Digital Corporation (Company) will supply certain drawings for its line of ExDirect Explosion Proof Enclosures. These Terms and Conditions are in effect and enforceable as long as Company manufactures said enclosures.

The drawings of the ExDirect Explosion-Proof Enclosures contain information which is proprietary and confidential information of Company and are being provided to Customer on the following basis:

1. Customer agrees to use the dimensional and other information in the drawings only for the purpose of assisting Customer in the design or incorporation of Customer products to be housed in the ExDirect Enclosures. Customer shall not provide any other party with a copy of the drawings and shall not disclose to any other party information contained in the drawings without the express written permission of Company.
2. Customer has qualified the applicable Precision Digital ExDirect Enclosure for suitability in their product or project using all other available drawings and specifications and has determined that they will design Precision Digital's enclosure into their product. Customer is at the stage of the design effort requiring confidential drawings to proceed with the design process, such as proceeding with printed circuit board layout and design, mechanical mounting fixture development, or other custom engineering design effort.

# CONFIDENTIAL DISCLOSURE TERMS AND CONDITIONS

3. The drawings are provided as a convenience to Customer. While believed to be accurate, Company shall have no liability of any kind for any mistakes or errors in the drawings or information contained therein. Company shall not be required to notify Customer should these drawings change.
4. Company reserves the right to demand return of all drawings at any time for any reason and Customer shall retain no other copies. Customer also agrees to return all copies of drawings and retain no copies if they decide not to bring the product to market for which they intended to use the ExDirect enclosure.
